

## U.S. CONSULATE GENERAL CHENGDU COMMERCIAL SECTION

### 2012 CHINA (CHONGQING) INTERNATIONAL CLOUD COMPUTING EXPO March 22-24, 2012 Chongqing, China

The Commercial Section of the U.S. Consulate General in Chengdu is pleased to invite U.S. firms to participate in the 2012 China (Chongqing) International Cloud Computing Expo (CCEXPO) to be held March 22-24, 2012 in Chongqing.

This is the first exhibition in China to showcase cloud computing technology from concept to application. It will offer an excellent platform for technology, communication and cooperation in the future development of China's cloud computing industry

CCEXPO will include a U.S. Pavilion, providing a prime venue for American firms to showcase their products and services. It will also offer a great platform for American firms to communicate with local government, Chinese companies and explore future business expansions in the cloud computing field.

We are eager to work with you to promote your products and services, and look forward to hearing from you by February 1, 2012.
